### **WHAT IS MARCH-A-THON?**

This required event is a very significant fundraiser for the Westwood Area Band Boosters, of which Grisham and Canyon Vista are both a big part! This is also going to serve as our rehearsal for Festival of Bands (in October, more info coming soon). We are so excited for your students to be a part of this very public and community-driven event! Thank you for making this a priority.

We would love for you, as parents/guardians, to attend this event. This is a wonderful opportunity for you to support the Westwood Area Band Boosters with your presence and time. (Grisham Band families do not need to worry about the fundraising part of this event - that’s for the high school parents!)

Our Beginning Band students will also be invited to this event, and they will be sitting in a special VIP section. Please help us show these new band students what an amazing thing Grisham Band truly is!

Thank you so much for your support!
