WHAT IS MARCH-A-THON?

This exciting event is a very significant fundraiser for the Westwood Area Band Boosters, of which Grisham and Canyon Vista are both a big part! This also serves as a rehearsal for the Advanced Bands to play with Westwood for Festival of Bands (in October, Beginning Band does not perform). We are so excited for your students to be a part of this very public and community-driven event! Thank you for making this a priority.

We would love for you, as parents/guardians, to attend this event. This is a wonderful opportunity for you to support the Westwood Area Band Boosters with your presence and time. (Grisham Band families do not need to worry about the fundraising part of this event - that's for the high school parents!)

Come see what an amazing experience band will continue to be for your student for years to come! Beginning Band families will have their own, special VIP seating area for this performance.

Thank you so much for your support!
